From the Chief Patron Desk:

Being a Public Representative I always want to do welfare work for the people. **"FIRHAD 30"** is my dream which I want to make reality. As Dr A.P.J Abdul Kalam said, **"Dream is not the thing you see in sleep but it is that thing which Doesn't let you sleep"**. My dream begins with 30 Student but one day it will Reach 30,00,000 Student. I want that Students from my Constituency become WBCS, IAS, IPS, Doctors, Engineers and one day I will proudly say that He/she Is from my Constituency.

Civil Service is all about Hard Work and Patience. Success has no short cut. One has to work hard to achieve Success.

From childhood one has to aspire his/her aim to achieve in life and do all the hard work to achieve it. You have to go through hardship to achieve your aim. It doesn't matter what environment you live in, what resources you are lacking, what problem you are facing. The only thing which matter at the end is your success.

Determination is required to achieve success in life. Be Sincere whatever you do, It is very important for your life. Your effort will not be in vain, You will get the Reward one day.

Don't blame others for your failures, instead keep on doing the hard work and one day you will succeed in life.

It is my dream that this Institute continues to help the needy Students and Society. I wish this Institute thrive and prosper in the Future and continue to help the Students. My support is always with this institute for development of society. My Best Wishes is always with them.

Janab Firhad Hakim Sb.
Hon'ble Minister & Mayor

About FIRHAD 30

The dream to start **FIRHAD 30 WBCS Coaching** began in 2014, when DSP Qutubuddin Khan attended the Annual Programme of Darul Uloom Teghia Moinia. In his Speech he gave the suggestion to begin Civil Service Coaching in our locality and said that in South India the concept of conducting Religious Education along with Civil Service, Medical & Engineering Preparation is common but it is unknown in our West Bengal State. He also said that if it is possible to begin a Civil Service Coaching at the Premise of Darul Uloom Teghia Moinia, it will be great.

Secretary of Darul Uloom Teghia Moinia MD Anis & Bablu Karim like this idea. He took it as a challenge. They convinced the religious head of Darul Uloom Teghia Monina and the journey begin.

We contacted, IAS, IPS, WBCS Officers, Educationist and others to begin Civil Service Coaching at DUTM premises . We were fortunate to get the support of Sk Jamaluddin, Jb Tasneem Hussain khan, Jb. Md Rizwan, ,Jb Misbahuddin Khan, Jb Eliyash Islahi, Jb. Qutubuddin Khan, Md Alam, Jb Bablu Karim, Mumtaz Ali & others. They all become Core Committee member and gave their valuable time and advice for development of FIRHAD 30.

Civil Service Institute require well built infrastructure and good faculty. So we requested Our Hon'ble Minister Janab Firhad Hakim Sahab to help us in this regard. He was very kind enough to listen to our request and provided the necessary help. So the preparation to start the Civil Service Coaching begin at DUTM Premises.

First we form a Committee consisting of WBCS Officers & other Educationist. In the meeting at 2018, the Committee members suggested that we should try to make collaboration with RICE EDUCATION, since it is the best competitive Institute in West Bengal and for this we should approach Hon'ble Minister Janab Firhad Hakim Sahab.

Hon'ble Minister Janab Firhad Hakim Sahab help us in this regard also. He requested Samit Ray Chairman of Rice Group to impart Coaching to Firhad 30. Samit Ray accepted his request and started Coaching free of cost for the Underprivileged Student of Kolkata Port Constituency in 2018.

This Institute is one of the first in the locality to impart Coaching for Civil Service preparation to the needy students .

We want to create a competitive environment where each year maximum Students from our Institute get appointed as WBCS Officer.

Achievement of FIRHAD 30: FIRHAD 30 WBCS Coaching was established in 2018. From 2018 we have successfully completed 3 WBCS Batch in collaboration with RICE Education. But due to Pandemic, Students face lot of problems in attending Online classes. It reveal in their performance also. We are hoping for better performance in the coming years.

The following are the Result of FIRHAD 30 during the three years.

In 2022 we begin NEET Coaching in collaboration with Al Ameen Mission. Students dream to become doctor but they don't have financial support to pursue their dream. NEET Coaching is expensive. It is not possible for the downtrodden and Underprivileged to bear its expense. To fulfill the dream of downtrodden and Underprivileged Students, we begin this NEET Coaching. In Kolkata Port Constituency, most of the people are financially not sound. This Coaching will help them to fulfill their dream.

We are going to develop FIRHAD 30 into **FIRHAD 30 Higher Educational Academy Trust** where Students will prepare for UPSC, WBCS, NEET, JEE and other skill development course which will make them eligible for job in Govt. and Private Sector.

Upcoming Project of FIRHAD 30

Quality Education for all: It is the dream of our honourable Minister & Mayor Janab Firhad Hakim Sahab that Free Quality Education will be provided to all the **downtrodden and Underprivileged** students of the Kolkata Port constituency.

Today **Education has become a business. Only the rich can afford Quality education from reputed English Medium School. Common People cannot afford quality education due to financial crisis and they had to send their children to Hindi, Urdu or Bengali Medium while other Parents send their children to non-affiliated private school which does not have well-built infrastructure and have poor teaching method.**

In today's world, English Medium Education is must for every student for their overall development, so that they can adjust to any business environment in the world. All Private companies prefer those candidates, who pass out from English Medium school.

"Quality Education for all" is the need of the hour for the development of the downtrodden and Underprivileged People. It is the responsibility of the Govt., Educationist, Social Activist and Influential people to impart quality education to all section of the society without any discrimination.

In Kolkata Port Constituency, there is not a single Govt. affiliated English Medium High School. For this the **downtrodden and Underprivileged** Students face problem and Private English Medium School take advantage of it. Their Admission charges and Monthly Fees is too high which the **downtrodden and Underprivileged** Parents are unable to bear. Most Private English Medium School does not have any affiliation with CBSE, ICSE and other Boards. During Board Exam, Parents have to pay huge amount for registration and still they have to go outside Kolkata to attend Exam which is a harassment for both the Student and Parent.

To solve this issue we want to build **Free English Medium High School, one at Khidderpore area and another at Metiaburuz area by the name FIRHAD International School** (CBSE/ICSE Affiliated) for the **downtrodden and Underprivileged** Students, where quality education will be provided from Nursery to Class XII **totally free**. All the modern facilities will be provided to the Students. Smart Classroom, Library and Laboratory will be built for them.

Students have no idea what to do after Madhyamik or H.S. This School will provide Career Counselling to them at early age, so that they can choose the right path after completing their education.

These **Free English Medium High Schools** will be maintained by **FIRHAD 30 Higher Educational Academy Trust** which will bear all the expenses. Honourable Minister & Mayor Janab Firhad Hakim Sahab will be the chief patron of these schools.
